From 12/11/2018

Location- IMC

---

PTA BOARD- Nicole Duncantell, President; Christi Winders, Vice President; Carolyn Evans, Treasurer, Amy Blomquist, Secretary

**Attendees:**, Hilary Kastner, Nick Duffy, Katie Roethler Lori Weber, Jennifer Borcharding, Amy Blomquist, Carolyn Evans

## AGENDA ITEM

## PERSON

**Approval of last month's minutes**

Lori & Carolyn

### **Review of Last Month's Activities and Events**

The SkyZone Fundraiser netted \$58.00 for the PTA. Jackson received an additional 2 checks from the Fall Service Project, and those funds will benefit the classrooms that did the work.

### **Treasurer's Report**

We are still getting clarification on whether the District pays the license fee for all schools to have the ability to show movies in the classrooms. PTA is asking that the school take on this expense, (\$375.00) if we are obligated to have it, as we are looking at alternatives to the Jackson Movie Night Event.

We continue to evaluate the budget, and are trying to make sure that we are getting funding to the right places, while maintaining a balance to cover future expenses.

### **Principal's Report**

Mr. Duffy was excited to see that the kids and Staff made the Fall Service Project a great experience for all. KCRG did a nice piece to show on the news. Akwi is sending out information on the Every Student Succeed Act, and will continue to communicate the goals that the District has for all students.

### **Report from any committees**

Green team is combining with Garden Club for now, Hector will be overseeing both groups, and is asking for parent involvement for the meetings, which are held twice a month.

Pam Zane is taking over SCRIP, but would like some assistance from another parent, still looking for additional help.

Katie Roethler spoke to the group about her experience with a Carnival at another school, and has agreed to be on the committee, as they start planning Spring Carnival 2019.
